Day 03: Petra visit with a local guide (Walking up to 10 KM) – Wadi Rum

Petra, a UNESCO World Heritage Site and one of the world's greatest wonders, is Jordan's most iconic treasure. Carved into rose-colored sandstone by the Nabataeans over 2,000 years ago, this ancient city was a vital hub on trade routes linking Arabia with the Mediterranean world.

Despite all that's been written, Petra must be seen to be believed — a breathtaking blend of nature and human ingenuity. You'll begin your visit with a short 700m horseback ride to the Siq, a narrow gorge that leads to the awe-inspiring Treasury.

From there, explore the Street of Facades, Royal Tombs, Cardo, Temples, Churches, and Museums, all carved into the rock in stunning shades of rose and gold.

Accommodation	Wadi Rum Camp	Meal Plan: Dinner & Overnight

Day 04: Wadi Rum (4x4 Jeep Ride) – Dead Sea – Amman

The silence, scale, and beauty of Wadi Rum offer an unforgettable experience.

Later, head to the Dead Sea, the lowest point on Earth at 430 meters below sea level. Known for its healing properties, the Dead Sea's unique mix of minerals, mud, and high salinity lets you float effortlessly, while enjoying sunbathing, swimming, and a sense of total relaxation.
