DAY 3: BARCELONA — GIRONA

Girona is an incredible historic city and one of the main filming locations of the famous series "Game of Thrones". We will visit its historic center and the following places of interest:

Walls, cathedral, Jewish quarter, city bridge, colored houses, the Rambla; we will also pass by Plaza de Independencia; these are some of the places you cannot miss. In the afternoon, free time.

Day 04: GIRONA — FIGUERAS — GIRONA

Breakfast. Departure from the hotel heading to Figueras to visit the wonderful Dalí Museum. Here we will enjoy his paintings, sculptures, jewels, and the tomb of this surrealist artist.

At the end, we will head towards Baix Empordà, specifically to the small town of Peratallada, declared a historic-artistic site for being one of the most important and best-preserved medieval architecture centers in Spain. Although it looks like a movie set, it's more than that: the town preserves its feudal appearance, with an ensemble of narrow and winding streets, small squares — like the picturesque Les Voltes square, which still retains the arcaded layout of the village — and highly valuable examples of medieval architecture.

At the end of our visit, we will continue our journey back to Girona.

Accommodation	Girona Hotel	Meal Plan: Dinner & Overnight

Day 05: GIRONA — TOSSA DE MAR — BARCELONA

Breakfast. We will leave the hotel and head to the town of Tossa de Mar, one of the jewels of the Costa Brava for its rich heritage and wonderful beaches. In the afternoon, we will continue towards Barcelona to go to the hotel.
